

# Wood Day 30.11.2017

The National Wood Day will bring together hundreds of building professionals and decision-makers. During the day, there are several high-level seminars including wood architecture, building technology and wood construction. In addition to seminars you can also visit exhibitor's product and service area as well as network with other professionals.

In 2016 there were a record number of visitors, nearly 950 construction professional.

In 2017, Wood Day will be held at Wanh Satama in Helsinki on Thursday 30.11.2017
